

Omega Benefit Strategies: Your CDH Partner

Omega Benefit Strategies is your trusted partner in Consumer Driven Health Services (CDH). As a Marketplace partner since 2018, we deliver innovative CDH solutions powered by a fully integrated API connection, proven expertise, and the secure management of data and payment rails that support better outcomes, stronger customer experience, and improved ROI.

We help clients turn CDH administration into a smoother, more connected, and more valuable experience.

Key Differentiators

- 1. Marketplace Partnership:** As a Marketplace partner since 2018, Omega Benefit Strategies has access to cutting-edge tools and resources that help us deliver high-quality CDH solutions with consistency and confidence.
- 2. API Connectivity:** Our CDH services are driven by API connectivity, enabling real-time data exchange and seamless integration with your existing systems. This ensures accuracy, efficiency, and compliance while reducing manual work.
- 3. Data and Payment Rails Expertise:** Successful CDH administration depends on the reliable movement of data and payments. Our expertise in managing data and payment rails helps create smoother operations, better service delivery, and a more seamless experience for your customers and internal teams.
- 4. Proprietary Tech Stack:** Omega Benefit Strategies uses a proprietary tech stack that strengthens our CDH services, improves responsiveness, and enables us to deliver innovative solutions that stay ahead of client needs.
- 5. Strong Team:** Our dedicated, experienced CDH team is committed to delivering exceptional service and support. We know how to handle complex situations and keep programs running effectively.

Why Choose Omega Benefit Strategies?

- **Innovation:** Our proprietary tech stack and API connectivity help us continuously improve service and deliver better solutions.
- **Compliance:** We stay current with CDH regulations to help minimize risk and protect program integrity.
- **Expertise:** We bring deep CDH experience and a strong understanding of the operational infrastructure behind successful programs.
- **ROI:** By improving efficiency, reducing friction, and streamlining workflows, we help clients drive better financial and operational outcomes.
- **Competitive Pricing:** No Annual fees. No Implementation Fee. No Plan Document Fees.
